MEMO ENDORSED

Re: Grytsyk v. Morales, et al.
19 CV 3470 (JMF)

Dear Judge Parker:

I am the attorney for the plaintiff in the above-referenced action. I write, with the consent of the attorney for the defendants, to request a two-week adjournment of the settlement conference in the action, from March 21, 2022, to April 4, 2022.

The attorney for the defendants and I have reached agreement on making this request because plaintiff's motion to further amend his amended complaint, or its being stipulated to, will be introduced into the case within the next one to two weeks. This amended complaint will concern new instances of summonses being issued to plaintiff that, he contends, further the pattern of summoning him improperly that he complains of in the action. This amended complaint would already have been completed but for the inability of plaintiff and I to work together to prepare the proposed amendment because of the terminal illness of his son, who passed away quite recently. Additionally, because of the pressures of other litigation that we are each engaged in, the attorney for the defendants and I have both felt the need for extra time to prepare the submissions that Your Honor requires in anticipation of a settlement conference and to begin talking to each other about a possible settlement.

In light of the above, both counsel for the defendants and I believe that the short adjournment we are requesting may very well have the possibility of making the settlement conference a productive one.

Very truly yours,

ALAN D. LEVINE, ESQ.
